ABOUT ME

Experienced Financial and Programmer Professional with a proven track record of 8 years in finance and accounting. Combining my expertise in financial analysis, budgeting, and reporting with strong programming skills, I have successfully developed efficient solutions to optimize financial processes and enhance data-driven decision-making. Passionate about integrating technology and finance, I thrive in challenging environments that require innovation and creativity. With a keen eye for detail and a deep understanding of both worlds, I strive to bridge the gap between finance and technology to drive business success. I am committed to continuous learning and staying ahead of emerging trends, ensuring that I bring the best of both fields to any project. As a dedicated problem solver and a team player, I am eager to contribute my expertise and collaborate on projects that make a meaningful impact in the financial and technological landscape

WORK EXPERIENCE

Nov 2022 - Present
FINANCE MANAGER
GRANDBAZAAR New Zealand

Financial Planning & Analysis involves creating comprehensive financial plans for import-export and supply chain operations, focusing on cost control, reporting, risk management, vendor and contract management, financial compliance, supply chain optimization, financial forecasting, and continuous improvement. It involves risk management, vendor and contract negotiation, financial compliance, supply chain optimization, and staying updated on industry trends and best practices.

Aug 2021 - Nov 2022
ACCOUNT MANAGER
GRANDBAZAAR New Zealand

Financial Reporting and Analysis involves preparing, reviewing, and analyzing financial statements for decision-making. Variance analysis identifies trends, risks, and opportunities. Import and Export Accounting ensures accuracy, Cost Accounting and Inventory Management track expenses, and Financial Compliance and Audit ensure compliance.

Jul 2020 - Aug 2021
ACCOUNTANT
GRANDBAZAAR New Zealand

Financial transactions involve handling import and export activities, including invoicing, payments, and receipts. They involve documentation, customs compliance, costing, pricing analysis, and financial reporting. Inventory management and foreign exchange management monitor transactions, while vendor and supplier relations resolve issues. Audits and compliance ensure adherence to standards, while regulatory compliance ensures compliance with import-export regulations and trade policies.

WORK EXPERIENCE

Jul 2018 – Jul 2019

Support Officer Cash and Clearing Control

Al Rajhi Bank Al-Riyadh

As a Support Officer in the Cash and Clearing Control department, I played a crucial role in ensuring the smooth and efficient management of cash-related operations and clearing processes within the organization. My primary responsibilities revolved around handling cash transactions, reconciling accounts, and maintaining accurate financial records. This position requires meticulous attention to detail, a strong grasp of financial processes, and the ability to work collaboratively with various teams..

Apr 2018 – Jul 2018

Cash Centre Vault Custodian

Al Rajhi Bank Al-Riyadh

As a Cash Centre Vault Custodian, I am responsible for managing the secure storage and movement of cash within the establishment's cash center or vault. I have an important role in ensuring the integrity and integrity of the cash supply, and I have played a pivotal role in maintaining the financial stability of the institution. This position requires a high degree of trustworthiness, attention to detail and adherence to strict security protocols.

Feb 2016 - Apr 2018

Head Teller

ABANA Enterprises Group Co

As the Head Teller, I am responsible for overseeing and managing the day-to-day cash operations within the bank. This leadership role requires a deep understanding of cash management, exceptional organizational skills, and a commitment to upholding the highest standards of accuracy and security. I was lead a team of tellers and I played a critical role in maintaining the smooth functioning of cash transactions while ensuring compliance with relevant regulations.
